

If you come in here and buy a

Hart, Schaffner & Marx suit or overcoat, consider all the results of the transaction to you. Leave us out of it; assume that we make a fair profit; we do.

But you make a better profit than we do; you get the clothes. You get absolutely honest, all-wool fabrics; clothes you can respect; that you don't have to apologize for or be ashamed of because they're not what they seem.

You get what no "mercerized-cotton" clothes could ever give you—long, satisfying service; shape-keeping service; tailoring that fits your ideas and shape; style that's distinctive.

Such clothes preserve and strengthen a man's self-respect; "mercerized cotton" makes a man ashamed to look his clothes in the face; or ought to.

In these days of rush and hurry courtesy is often forgotten. In the mad, pell mell rush of our life little things are done to offend that we never realized. A hastily eaten meal and its resultant headache may cause us social or financial loss. The wise man or woman is the one who relieves little ills of this sort by a little dose of Kodol For Dyspepsia. It digests what you eat and puts your stomach back into shape. Sold by Peoples Drug Store.

No one would buy a sailboat with sails that could not be reefed. There is always that possibility of a little too much wind that makes a cautious man afraid to go unprovided. The thinking man, whose stomach sometimes goes back on him, provides for his stomach by keeping a bottle of Kodol For Dyspepsia within reach. Kodol digests what you eat and restores the stomach to the condition to properly perform its function. Sold by Peoples Drug Store.
